Santel Supports Local School Districts

As a regulated telecom company, Santel does not pay property taxes the way most of you do...instead we pay gross receipts tax which is based upon our annual revenues. For each dollar of business you do with Santel, a portion of that is returned to your local school district through gross receipts taxes. In 2017, Santel paid these 20 school districts \$269,198 for business done in 2016.

Did you know that you can register your cell phones as well as your landlines on the National Do Not Call Registry to avoid those pesky unwanted calls? It is a free service that gives you the right to block most telemarketing calls. Once your number has been on the registry for 31 days, it will stay on the registry until disconnected or until you remove yourself from the list.

To sign up, call 1-888-382-1222 from the phone you want to register or visit www.donotcall.gov. You can also use the above phone number and website to file complaints about telemarketers.

Directory Deadlines

The deadline for any changes you wish to make to your directory listings is Tuesday, January 2, 2018.

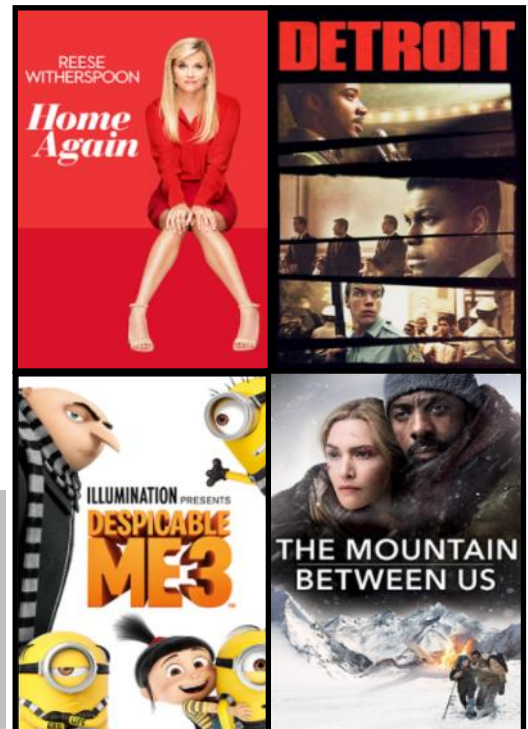

Don't forget to check Santel's Facebook page in December to see the photos chosen as finalists for the 2018 directory cover. The winner will be determined by vote of our customers, so be sure to check them out!

Due to low viewership, NBC Universal has announced that they are cancelling the Chiller network as of January 2018. Chiller aired on Channel 137 in the Santel lineup.
