2019 Directory Photo Contest Winner

The winning photo, by a large majority of the Facebook votes, was submitted by Cheryl Pruett of Platte. Cheryl's photo (shown below) of cattle being herded on the road with the Missouri River and hills in the background will grace the cover of the Central Connections directory when it's released in April. Thank you to everyone who submitted photos and watch for next year's contest to be announced late summer 2019.

Telecommunication Relay Service

Relay South Dakota enables deaf, hard-of-hearing or speech disabled persons to communicate via telephone. The service is available 24 hours per day, 365 days per year with no restrictions on length or number of calls placed. All calls are strictly confidential and no records of conversations are ever kept. To use TRS:

1. Dial 7-1-1 from anywhere in South Dakota or 1-800-544-1113 from anywhere outside the state.
2. Ask the communication assistant to dial the number you're calling.
3. The assistant will type the spoken words to the TTY user and speak the typed words back to your standard phone.
4. Speak slowly and clearly to the person you are calling, not the assistant.
5. Remember to say "go ahead" each time you finish speaking to let the other party know it's their turn.
